Cramlington Village Primary School

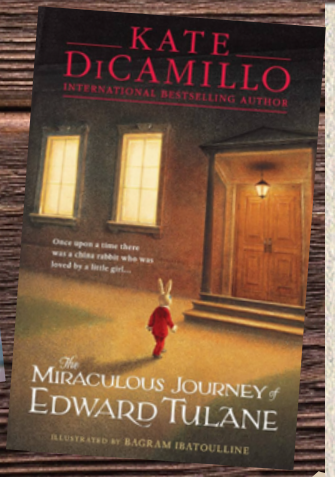

Autumn Two in Year 4

English

We are creating journey tale narratives and newspaper style report writing based on our story, 'The Miraculous Journey Of Edward Tulane.'
including fronted adverbials, -ed and -ing clauses, and -ly phrases to make our writing more interesting and varied. We will also learn to use inverted commas accurately and develop our dialogue by using verbs and adverbs to show how characters speak.

We are reading...

In Guided Reading sessions, we will develop our reading skills by focusing on four key areas: explain, retrieve, interpret and choice. We will practise these skills through a variety of reading activities, including teacher read, echo read, paired read and performance read.

Maths

We will be looking at:

<u>Measurement- Area</u>

- What is area?
- Make shapes
- Compare areas

<u>Multiplication and divison</u>

We will learn and practise the 3, 6, 7, 9, 11 and 12 times tables and their related division facts.

It is extremely important that children know their times tables by heart in preparation for Multiplication Tables Check in Summer term.

Science

We will be learning about living things and their habitats:

- Grouping living things
- Use classification skills
- Habitats and environmental change
- Exploring local habitats
- Protecting living things

Design and Technology

<u>Structures and CAD</u>

We will be making Christmas gift boxes.

Geography

What are lines of longitude and latitude?

- What are lines of longitude and latitude?
- How can you find exact locations around the world?
- What are time zones and how do they affect us?
- How does day and night occur?
- What is an environmental region? What are the environmental regions of Europe?

PE

Our units will be:

- Ball skills
- Rugby

Our PE days are: Tuesday and Wednesday.

PSHE

In PSHE, we will:

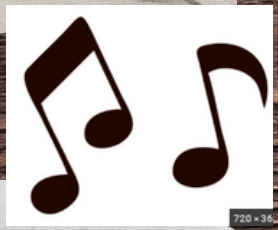

- Learn how to make healthy and safe choices.
- Understand the effects of alcohol, smoking and medicines.
- Explore peer pressure and positive decision-making.
- Learn how to stay safe online and protect personal information.

Music

In Music, we will be learning to play the trumpet, developing our musical skills and confidence as we learn to play notes and simple tunes.

Computing

In Music, we will be using GarageBand to create our own pieces of music. We will explore virtual instruments, experiment with rhythms and loops, use the piano roll and combine different tracks to create a multi-track composition. We will also share our music and give feedback to others.

French

Our unit will be:

Les saisons -Seasons
